## **SGP**

For end of May and June races, we had:

- Hastings 5 miles - 9 runners
- Heathfield 10k – 15 runners

We currently have 7 runners entered for Bewl 15 miles on 5<sup>th</sup> July and 8 for the Brighton Phoenix 10k on 15<sup>th</sup> July

SGP are considering replacing the Hastings half with the Eastbourne half for 2027. This will be decided by a vote majority from completing clubs. Jim has asked for feedback from our members.

## **Kit**

Men's tracksuit bottoms are now available, these are heavy duty, but good quality. They are black with yellow personalisation and a yellow flash.

Ladies' tracksuit, top (yellow) and bottoms (black with yellow personalisation and a yellow flash), are also available, but can't be ordered separately.

Unisex waterproof jackets are available. These are black with yellow lettering and logo.

All the above can be personalised. Martyn will add these to our website's kit page.

A company has approached Martyn re. supplying branded hydration vests and have provided a branded sample. They are priced at £24, but there is a minimum order of five units. They also supply soft water bottles, priced at £3.50, although any 500ml soft flask will fit. The quality seems good, although the fitting needs a bit of working out. Martyn to road test and report back.
